GURUGRAM, INDIA

This 3BHK apartment in DLF Phase 5 is designed for quiet living. Its south-east orientation and internal courtyard view mean every room feels private, bathed in morning light yet sheltered from the street.

At 1,529 sq ft of carpet area, the layout is generous without being sprawling. The furnished interiors are move-in ready, offering a seamless transition into a home that values calm over clutter.

Every corner of this home has been considered. The living and dining flow naturally, while the three bedrooms offer space for rest and work. The kitchen is ready for daily life, and the full power backup ensures comfort never wavers.

THE LIFESTYLE

Amenities That Elevate

Beyond your door, the gated community offers a mini theatre, a business lounge, and a concierge service that anticipates your needs. The gym and landscaped gardens are just an elevator ride away.

The rooftop garden and solar panels speak to a thoughtful design—where sustainability meets everyday luxury. This is not just a home; it's a lifestyle curated for convenience and connection.
